Re: Westminster Securities Corporation et al. v. Uranium Energy Corporation et ano.
15 CV 04181 (VM) (GWG)

Dear Judge Gorenstein:

We briefly reply to the letter to Your Honor dated May 8, 2017 from Michael Rubin, Esq.

Mr. Rubin incorrectly states on page 2, footnote 2, that Mr. Schwartz, Plaintiffs' expert, was present at the deposition of Mr. Perry, Defendants' expert. Attached hereto is the appearance page from the Perry deposition which conclusively establishes that Mr. Schwartz was not there. Plaintiffs respectfully submit that any award of costs and expenses to compensate Mr. Perry for any appearance at the Schwartz deposition in New York would be inappropriate.

Mr. Rubin further states that Plaintiffs fail to explain what they learned during the deposition of Defendants' expert which led to Plaintiffs' request for additional time to submit an amendment to one of Mr. Schwartz's earlier reports. Plaintiffs respectfully submit that it is wholly inappropriate to reveal to Defendants the thought processes of Plaintiffs' counsel in preparing this case for trial.

Respectfully submitted,

Kenneth A. Zitter
